_____ % is being acquired with the assets of one or more separate accounts

(4) If the Investor indicated in question (3) above that general account assets are being used to acquire the Investor's interest in the Interests, please complete the following:

_____ % of such general account assets used to acquire Interests represent "plan assets" within the meaning of the Plan Asset Regulation

(Initial)

(5) The Investor is a person who has discretionary authority or control¹ with respect to the assets of the Partnership or provides investment advice to the Partnership for a fee, direct or indirect, with respect to such assets or any affiliate of any such person² (a "Controlling Person").

The Investor understands and agrees that the information supplied above will be utilized to determine whether benefit plan investors own less than 25% of the value of the Interests, as determined under the Plan Asset Regulation, both upon the original issuance of Interests and upon subsequent transfer of Interests.

(G) General - For All Investors:

✓ RSJ
(Initial)

The Investor hereby agrees that if any of the information in this Item II changes, the Investor will notify the General Partner within 10 days thereof. The Investor understands that the information contained in this Item II may be disclosed to the Internal Revenue Service by the Partnership and that any false statement contained in this Item II could be punished by fine, imprisonment or both.

III. REPRESENTATIONS AND COVENANTS OF THE INVESTOR

(A) The Investor agrees that it will not sell or otherwise transfer the Interest without registration under the Securities Act or an exemption therefrom, and fully understands and agrees that it must bear the economic risk of its investment for an indefinite period of time (subject to limited rights of withdrawal provided in the Partnership Agreement) because, among other reasons, the Interest has not been registered under the Securities Act or under the securities laws of certain states and, therefore, cannot be resold, pledged, assigned or otherwise disposed of unless it is subsequently registered under the Securities Act and under applicable securities laws of such states or an exemption from such registration is available. The Investor acknowledges

¹ For purposes of this question, "control" means, with respect to a person other than an individual, the power to exercise a controlling influence over the management or policies of such person

² For purposes of this question, "affiliate of a person" includes any person, directly or indirectly, through one or more intermediaries, controlling controlled by, or under common control with the person
